## Resideo

Bengaluru, Karnataka, India

Dear Mr./Ms.Hiring Manager's,

My name is **Chandrakanth Kongari**, and I'm applying for the Engineering Intern Bangalore at metropolitan area, Karnataka, India position listed on LinkedIn.I am attaching my resume in consideration for this role. I graduated from KLS Gogte Institute of Technology Udyambag Belagavi & Secured **CGPA 8.36** with a Bachelor of Engineering in Computer Science and done with **internship** in Program Analytics Trainee at Cognizant Technology Solutions in **Azure domain**. I have researched and learned a great deal about your organization's mission and I am confident that my background and attributes will bring further support of your company's values.

The attached resume details my extensive experience and training. If you choose to interview and hire me, you will not be disappointed.

Being highly attentive to detail, I strive for accuracy and consistency in my daily individual performance, team contributions, and task completion. Further, I offer communication, critical thinking and scheduling flexibility. I aim to contribute in Machine Learning, Data analytics, Data warehouse and ETL Concepts and Well-versed in various programming languages including C, Java, and MySQL, to support continuous improvement..

I look forward to speaking with you about my academic and professional background. I am certain that my time-management and strengths will bring an invaluable new facet to your existing team. I'd be happy to provide greater detail about my skills and experience during an interview. Please call me at your earliest convenience.

I would like to learn additional details of the position and explore the contributions I can bring to positively impact Resideo's success.

Thank you for your time and consideration.

Sincerely,

**Chandrakanth Kongari**
